

The Indiana Commission to Combat Drug Abuse

Behavioral Health Division

Comprehensive Community Plan

County: Tippecanoe

LCC Name: Tippecanoe County Drug Free Coalition

LCC Contact: Kristina Lesley

Address: 100 Saw Mill Road Suite 2201 City: Lafayette, IN 47905

Phone: 765-471-9916

Email: kristina@dftipp.org

County Commissioners: David Byers, Tracy Brown, Tom Murtaugh

Address: 20 N. 3rd Street

City: Lafayette IN

Zip Code: 47901

Vision Statement

What is your Local Coordinating Council's vision statement?

To make Tippecanoe County a safer, healthier place to live, learn, and work

Mission Statement

What is your Local Coordinating Council's mission statement?

The Drug-Free Coalition of Tippecanoe County brings together a cross-section of the community in a countywide effort to reduce youth and adult use and the negative impact of alcohol, tobacco and other drugs (ATOD) through multiple strategies across multiple sectors.

Membership List					
#	Name	Organization	Race	Gender	Category
1	Amanda Balsler	Tippecanoe County Health Department	White	Female	Treatment
2	Ashley Billy	IU Health Positive Link	White	Female	Medical
3	Jennifer Bushore-Barry	Heartford House Child Advocacy Center	White	Female	Community
4	Chris Campbell	State Representative	White	Female	Government
5	Ken Clarke	Trinity Life Ministry	White	Male	Treatment
6	Bonnie Crawford	United Way Recovery and Resilience Network Prevention Subcommittee	White	Female	Prevention
7	Jonathan Eager	West Lafayette Police Dept.	White	Male	Law Enforcement
8	Will Evans	Purdue Wellness Office	White	Male	Education
9	Zoe Frantz	Valley Oaks Health	White	Female	Treatment
10	Robert Goldsmith	Tippecanoe County Sherriff's Department	White	Male	Law Enforcement
11	Robert Hainje	Tippecanoe County Sherriff's Department	White	Male	Law Enforcement
12	Marvin Hill	SURF Center	White	Male	Treatment
13	Khala Hochstedler	Tippecanoe County Health Department	White	Female	Treatment
14	Sherry Hockerman	Drive Sober Inc.	White	Female	Prevention
15	Sharon Hutchison	Tippecanoe County Government	White	Female	Community

16	Lynn Johal	Recovery Cafe	White	Female	Treatment
17	Jane Krause	Purdue College of Pharmacy	White	Female	Education/Medical
18	Shelia Klinker	State Representative	White	Female	Government
19	Stacia Kirkham	Big Brothers Big Sisters	White	Female	Prevention
20	Jackie Marshall	Bauer Family Resources	White	Female	Prevention
21	Rebecca Maslanka	NAMI-WCI	White	Female	Prevention
22	Allison Miner	Home with Hope	White	Female	Treatment
23	Devon Moore	West Lafayette Police Department	Biracial	Female	Law Enforcement
24	Jenni Murtaugh	Willowstone Family Services	White	Female	Mental Health
25	Amy O'Shea	United Way Greater Lafayette	White	Female	Community
26	Jason Padgett	Phoenix Paramedic Solutions	White	Male	Treatment
27	Grace Paton	Tippecanoe County Health Department	White	Female	Treatment
28	Lisa Perry	Valley Oaks Health	White	Female	Mental Health

35	Cassie Wade	Bauer Family Resources	White	Female	Prevention/Education
36	Donna Zoss	Grace Recovery	White	Female	Treatment
LCC Meeting Schedule:					

Please provide the months the LCC meets throughout the year:
 Tippecanoe County Drug Free Coalition meets monthly January-December. The monthly meetings are held on the first Wednesday of the month at 4pm.

Community Needs Assessment: Results

The first step in developing an effective substance use and misuse reduction plan is to assess your community. A community assessment tells you about your community's readiness to implement prevention, treatment, and justice-related programs to address substance use and misuse. An assessment also provides an overview of the risk and protective factors present in the community, helping your coalition plan more effectively.

Community Profile

County Name: Tippecanoe
County Population: 199,562 (2021)
Schools in the community: Tippecanoe County is home to three public school systems; Lafayette School Corporation, Tippecanoe School Corporation, and West Lafayette School Corporation. Between these three institutions, there are 20 elementary schools, 9 middle schools, and 4 high schools. There is also an array of private and faith-based school systems in our community which include, but not limited to; Faith Christian, Lafayette Catholic Schools, and Lafayette Christian School. Purdue University and Ivy Tech Community College are both located in Tippecanoe County. The Crossing and Excel center serve as alternative education sites in Tippecanoe County.
Medical care providers in the community (hospitals, health care centers, medical centers/clinics, etc.): Tippecanoe County consists of two major hospitals, Franciscan Health and IU Health. There is a Riggs Community Health Center, a Med Express, several urgent cares, a UNITY Health Complex (which provides immediate care as well as other surgeries and medical providers).
Mental health care providers in the community (hospitals with psychiatric/behavioral health units, mental health clinics, private/public providers, etc.): Community mental health is provided by Valley Oaks Health. There are several independent provider agencies such as Meridian, Sycamore Springs, River Bend, Willowstone, Counseling Partners, Families United, Heartland Clinic. Tippecanoe County is home to many private practice mental health care providers.
Service agencies/organizations:

<p>There are many service organizations in our community including Bauer Family Resources, Child and Family Partners, Mental Health America, Salvation Army, Lafayette Housing Authority, LTHC, Lafayette Urban Ministry, SURF Center, NAMI-WCI, Recovery Café, Valley Oaks Health, United Way, Big Brothers/Big Sisters, Food Finders, Heartford House Child Advocacy Center</p>
<p>Local media outlets that reach the community:</p> <p>WLFJ News 18, Star City Broadcasting, Journal and Courier, 106.7 FM</p>
<p>What are the substances that are most problematic in your community?:</p> <p>Opioids, prescription drug use, methamphetamine, marijuana, tobacco/vaping, alcohol, cocaine, psychedelic drugs</p>
<p>List all substance use/misuse services/activities/programs presently taking place in the community</p> <p>Treatment: Home with Hope, Meridian Health, Trinity, Lighthouse, Oxford House, Sycamore Springs, SURF Center, Grace Recovery, Recovery Café, NAMI-WCI, TCHD- Gateway to Hope, Tipp. Co, Corrections Recovery Coaching, Recovery Rally, QRT, Medmark Prevention: Big Brothers Big Sisters, Purdue College of Pharmacy Campus RX/ Drug Misuse, Youth Summit/Parent Summit, Willostone (Active Parenting, Get SMART Jr), Grace Recovery- Kids Hope, NAMI- WCI- Peer to Peer/Family to Family, Bauer Family Resources Law Enforcement: Tippecanoe County Drug Task Force – Operation Narc Stop, West Lafayette Police Dept. – Rx takeback, safety lighting, Lafayette Police Dept. – Medication take back event assistance Activities: Tippecanoe Celebration of Recovery Rally, Overdose Awareness Day</p>

Community Risk and Protective Factors

Use the list of risk and protective factors to identify those present in your community. Identify the resources/assets and limitations/gaps that exist in your community related to each. The lists are not all-inclusive and others may apply.

Risk Factors Examples: trauma and toxic stressors; poverty violence; neighborhood characteristics; low neighborhood attachment; community disorganization; community norms and laws favorable toward drug use, firearms, and crime; availability of alcohol and other drugs; weak family relationships; family substance use; peer substance use; mental health problems; families moving frequently from home to home; limited prevention and recovery resources.

Protective Factors Examples: strong family relationships; neighborhood economic viability; low childhood stress; access to health care; access to mental health care; community-based interventions; restricted access to alcohol and other drugs including restrictive laws and excise taxes; safe, supportive, and connected neighborhoods; meaningful youth engagement opportunities; local policies and practices that support healthy norms and child-youth programs; positive connection to adults.¹

¹Risk and protective factors extracted from IUPUI Center for Health Policy Community Conditions Favorable for Substance Use, April 2018.

Risk Factors	Resources/Assets	Limitations/Gaps
1. Availability and use/misuse of alcohol in Tippecanoe County	<ol style="list-style-type: none"> 1. SURF Center- meeting space for recovery programs and peer treatment opportunities 2. Grace Recovery- offer programing for individuals who seek addiction recovery 	1. Tippecanoe County needs more evidence based youth programming in our community focusing on alcohol use.
2. High level of prescription and illegal drug access and abuse in Tippecanoe County	<ol style="list-style-type: none"> 1. Purdue College of Pharmacy/Wellness Program 2. Medication Take Back events at Lafayette Police Dept. and West Lafayette Police Dept. 3. Tippecanoe County Drug Task Force 4. Tippecanoe Health Depatment- Gateway to Hope 	<ol style="list-style-type: none"> 1. Community knowledge on keeping medications safe 2. Generational drug abuse 3. High stress and lack of access to mental health services
3. Barriers to treatment and mental health in Tippecanoe County	<ol style="list-style-type: none"> 1. SURF Center- hosts NA and AA meetings and the Peer-to Peer recovery group 2. NAMI-WCI- hosts the Connections Recovery Support Group 3. Meridian Health - Addiction and Recovery 	<ol style="list-style-type: none"> 1. Lack of financial resources for families 2. Lack of mental health providers who accept Medicaid 3. Lack of inpatient substance use treatment 4. Lack of transportation to treatment/services
Protective Factors	Resources/Assets	Limitations/Gaps
1. Peer based interventions	<ol style="list-style-type: none"> 1. Grace RecoverySURF 2. NAMI- WCI- Connections Support Group 3. Gateway to Hope- TCHD 	<ol style="list-style-type: none"> 1. Lack of inpatient beds for substance use recovery 2. Lack of financial means for individuals to be able to seek long-term treatment
3. Access to family programs	<ol style="list-style-type: none"> 1. Big Brothers Big Sisters 2. Willowstone Family Services- Active Parenting and Get SMART Jr. Programs 3. Grace Recovery- Kids Hope program 	<ol style="list-style-type: none"> 1. Lack of community knowledge about programs 2. Lack of participation in available programs

Making A Community Action Plan

Now that you have completed a community assessment and have identified the risk and protective factors that exist, you can develop a plan of action. The Comprehensive Community Plan (CCP) is a systematic and community-driven gathering, analysis, and reporting of community-level indicators for the purpose of identifying and addressing local substance use problems.

Step 1: Create problem statements, and ensure problems statements are in line with statutory requirements

Step 2: Ensure your problem statements are evidence-informed, then prioritize

Step 3: Brainstorm what can be done about each

Step 4: Prioritize your list, and develop SMART goal statements for each

Step 5: List the steps to achieve each goal

Step 1: Create + Categorize Problem Statements

Create problem statements as they relate to each of the identified risk factors.

Risk Factors	Problem Statement(s)
1. Availability and use/misuse of alcohol in Tippecanoe County	1. Alcohol is misused and abused in Tippecanoe County
2. High level of Prescription and illegal drug access and abuse in Tippecanoe County	1. Tippecanoe County has a high number of residents abusing prescription drugs 2. Tippecanoe County has a significant presence of illegal drugs.
3. Barriers to treatment and mental health in Tippecanoe County	1. There is limited access to affordable treatment in Tippecanoe County

Step 2: Evidence-Informed Problem Statements

Identify your top three problem statements using local or state data. Ensure that there is a problem statement for each co-equal funding category (e.g., prevention/education; intervention/treatment; and criminal justice services and activities).

Problem Statements	Data That Establishes Problem	Data Source
1. Alcohol is misused and abused in Tippecanoe County	1. In 2020, 28.5% of 12 th graders, 19.5% of 10 th graders, and 11.2% of 8 th graders reported using alcohol in the past 30 days (2020 IPRC ATOD survey, Tippecanoe County). 2. In 2020, alcohol remained the most abused substance by 8 th , 10 th , and 12 th graders in Tippecanoe County (2020 IPRC ATOD survey, Tippecanoe County). 3. 8% of 12 th graders, 4.7% of 10 th graders, and 0.6% of 8 th graders reported binge drinking in the past 2 weeks (IPRC ATOD survey, Tippecanoe County 2020) 4. 31.9% of Purdue University students that were surveyed reported binge drinking in the last two weeks (Indiana College Substance Use survey, 2021). 5. 7.4% of Purdue students reported driving after consuming alcohol (Indiana College Substance Use survey, 2021). 6. 59.4% (60) removals by DCS where parent alcohol abuse and/or parent drug abuse was indicated for removal reason by Indiana Department of Child Services in 2020 (Indiana Youth Institute 2021) 7. In 2020 932 arrests were for OWI-related offenses, and	1. 2020 IPRC ATOD survey, Tippecanoe County 2. 2020 IPRC ATOD survey, Tippecanoe County 3. 2020 IPRC ATOD survey, Tippecanoe County 4. Indiana College Substance Use survey, 2021 5. Indiana College Substance Use survey, 2021 6. Indiana Youth Institute, Indiana Department of Child Services 2021 7. Tippecanoe County Law Enforcement Data (RMS, TCSD) 2020 8. Drug Free Coalition Community Perceptions Survey 2020

	<p>302 were for public intoxication (2020 Tippecanoe County Law Enforcement Data)</p> <p>8. 66.2% of community members surveyed believe that alcohol use is a problem in our community (Drug-Free Coalition Community Perceptions Survey, 2020).</p>	
<p>2. Tippecanoe County has a high number of residents abusing prescription drugs</p>	<ol style="list-style-type: none"> 1. In 2020, 2.8% of 12th graders, 2.6% of 10th graders, and 1.9% of 8th graders reported misusing prescription drugs in the past 30 days (2020 IPRC ATOD survey, Tippecanoe County). 2. In 2020, 8th, 10th, and 12th graders reported prescription drugs to be the fourth most abused substance in the past 30 days (2020 IPRC ATOD survey, Tippecanoe County) 3. 1.9% of Purdue University students report using stimulants not prescribed to them. In addition, 0.1% report using sedatives and 0.3% report using painkillers. (Indiana College Substance Use Survey, 2021) 4. 59.4% (60) removals by DCS where parent alcohol abuse and/or parent drug abuse was indicated for removal reason by Indiana Department of Child Services in 2020 (Indiana Youth Institute, Indiana Department of Child Services 2021) 5. In 2019 there were 119 non-fatal ED visits involving opioids (2019 IPRC data Tippecanoe County) 6. In 2020, there were 468 charges for possession of a controlled substance by law enforcement in Tippecanoe 	<ol style="list-style-type: none"> 1. 2020 IPRC ATOD survey, Tippecanoe County 2. 2020 IPRC ATOD survey, Tippecanoe County 3. Indiana College Substance Use Survey, 2021 4. Indiana Youth Institute, Indiana Department of Child Services 2021 5. 2019 IPRC Data Tippecanoe County 6. Tippecanoe County Law Enforcement Data (RMS, TCSD) 2020 7. Drug-Free Coalition Community Perceptions Survey, 2020

	<p>County. (2020 Tippecanoe County Law Enforcement Data).</p> <p>7. 83.5% of community members surveyed report that they either “strongly agree” or “agree” that prescription drug abuse is a problem in our community (Drug-Free Coalition Community Perceptions Survey, 2020)</p>	
<p>3. Tippecanoe County has a significant presence of illegal drugs</p>	<ol style="list-style-type: none"> 1. In 2020, 15.6% of 12th graders, 6.7% of 10th graders, and 1.6% of 8th graders reported using marijuana in the past 30 days (IPRC ATOD survey, 2016). 2. Marijuana is the 2nd most abused substance by 12th graders and the 3rd most abused by 8th and 10th graders in Tippecanoe County (IPRC ATOD survey, 2020). 3. From 2019-2020 there was a 50%-1266.7% change in EMS Naloxone use in Tippecanoe County. 4. 59.4% (60) removals by DCS where parent alcohol abuse and/or parent drug abuse was indicated for removal reason by Indiana Department of Child Services in 2020 (Indiana Youth Institute, Indiana Department of Child Services 2021) 5. In 2020, there were 534 charges for possession of methamphetamine and 56 charges of dealing methamphetamine. (Tippecanoe County Law Enforcement Data 2020) 6. In 2020, there were 689 	<ol style="list-style-type: none"> 1. IPRC ATOD survey, 2020 2. IPRC ATOD survey, 2020 3. State of Indiana (www.in.gov/recovery/data) 4. Indiana Youth Institute, Indiana Department of Child Services 2021 5. Tippecanoe County Law Enforcement Data (RMS, TCSD) 2020 6. Tippecanoe County Law Enforcement Data (RMS, TCSD) 2020 7. Tippecanoe County Law Enforcement Data (RMS, TCSD) 2020 8. Drug-Free Coalition Community Perceptions Survey, 2020

	<p>charges of marijuana possession by law enforcement in Tippecanoe County. (Tippecanoe County Law Enforcement Data 2020)</p> <p>7. In 2020, there were 207 charges for possession of cocaine/narcotic drug and 20 charges of dealing cocaine by law enforcement in Tippecanoe County (Tippecanoe County Law Enforcement Data 2020).</p> <p>8. In the 2020 Community Perceptions survey, 90.5% of respondents either “strongly agree” or “agree” that illegal drug use is a problem in our community. 89% either “agree” or “strongly agree” that illegal drugs are easy to obtain in our community (Drug- Free Coalition Community Perceptions Survey).</p>	
<p>4. There are barriers to accessing to treatment in Tippecanoe County</p>	<p>1. The Tippecanoe County Jail is nearing capacity at 442 of 607 beds.</p> <p>2. In 2021, 13.5% of respondents indentified financial constraints and 0.6% identified transportation as a barrier to accessing care (Tippecanoe Community Wellness Survey, 2021)</p> <p>3. In 2021, 4.9% of justice involved individuals surveyed reported financial constraints and 3% reported transportation as a barrier to accessing treatment. (Tippecanoe Justice Involved individual Survey, 2021)</p>	<p>1. Inmate listings is provided by the Tippecanoe County Sheriff’s Office and it is updated every 30 minutes.</p> <p>2. Tippecanoe Community Wellness Survey, 2021</p> <p>3. Tippecanoe County Justice Involved Individuals Survey 2021</p>

Step 3: Brainstorm

Consider the resources/assets and limitations/gaps that were identified for each risk factor, and list what actions can be taken for each identified problem statement.

Problem Statements	What can be done (action)?
1. Alcohol is misused and abused in Tippecanoe County	<ol style="list-style-type: none"> 1. Provide funding for programs utilizing evidenced-based practices that educate residents about the risks of alcohol use and abuse. 2. Fund programs that provide support for recovery from alcohol abuse. 3. Provide funding and support for programs that identify problem alcohol behaviors. 4. Provide funding and support for programs that reduce youth access to alcohol, deter impaired driving, and address other criminal issues related to alcohol. 5. Encourage and support community- wide drinking education/prevention and awareness campaigns. 6. Continue to support and encourage activities to keep a youth perspective on underage drinking. 7. Collaborate with campus and community partners (including alcohol retailers) to educate and inform about alcohol issues.
2. Tippecanoe County has a high number of residents abusing prescription drugs	<ol style="list-style-type: none"> 1. Provide funding for programs utilizing evidence-based practices that educate residents on the risks of substance abuse. 2. Provide funding and support for programs that educate families and community members about the steps to prevent and reduce prescription drug abuse (proper disposal methods, use of lock boxes, etc.). 3. Provide funding for programs that provide support for recovery from prescription drug abuse. 4. Provide funding and support for programs that identify prescription drug abuse. 5. Provide funding and support for programs that provide safe disposal of prescription medications. 6. Encourage and promote community-wide prescription and over-the- counter drug abuse education/prevention and awareness campaigns.

	<ol style="list-style-type: none"> 7. Collaborate with campus and community partners to educate and inform about prescription and over-the-counter drug abuse issues.
<ol style="list-style-type: none"> 3. Tippecanoe County has a significant presence of illegal drugs 	<ol style="list-style-type: none"> 1. Provide funding for programs utilizing evidence-based practices that educate residents about the dangers of illegal drug use. 2. Provide funding for programs that provide support for recovery from illegal drug use. 3. Provide funding for programs that identify illegal drug use. 4. Provide funding for programs that identify and minimize the possession and distribution of illegal drugs. 5. Encourage and support community-wide drug abuse education/prevention and awareness campaigns. 6. Meet and communicate with legislators to educate and inform them about the presence of illegal drugs, monitor progress of drug legislation, inform Coalition and community of progress on said legislation, and to recommend local action. 7. Participate in Tippecanoe County's Overdose Fatality Review Team.
<ol style="list-style-type: none"> 4. There is limited access to affordable treatment in Tippecanoe County 	<ol style="list-style-type: none"> 1. Provide funding for peer-based support programs utilizing evidence-based practices. 2. Provide funding for recovery/self-help groups and/or programs. 3. Provide funding to help eliminate barriers to accessing treatment and care.

Step 4: Develop SMART Goal Statements

For each problem statement, prioritize your list of what can be done. Choose your top two actions for each. Then, develop goal statements that demonstrate what change you hope to achieve and by when you hope to achieve it.

Problem Statement #1
Goal 1 Decrease alcohol use among residents age 12-20 years old by 2%.
Goal 2 Reduce the incidence of driving while under the influence of alcohol by 1%.
Problem Statement #2
Goal 1 Decrease illicit use of prescription drugs among residents under the age of 18 by 2%
Goal 2 Decrease illicit use of prescription drugs among residents age 18 and older by 3%.
Problem Statement #3
Goal 1 Decrease illegal drug use among residents under the age of 18 by 2%
Goal 2 Decrease illegal drug use among residents age 18 and older by 3%.
Problem Statement #4
Goal 1 Increase availability of peer-based support and recovery programs.
Goal 2 Increase participation in peer based and self help groups by 1%

Step 5: Plans to Achieve Goals

For each goal, list the steps required to achieve each

Problem Statement #1	Steps
Goal 1: Decrease alcohol use among residents age 12-20 years old by 2%.	<ol style="list-style-type: none"> 1. The Coalition provides funding for Big Brothers Big Sisters to provide mentor matches to children in Tippecanoe County. 2. Willowstone Family Services utilizes grant funding to provide the Parenting Support programs (Active Parenting and Connect) to reduce family risk factors and build family protective factors in families with children ages 2-15. 3. Grace Recovery utilizes grant

	<p>monthly. The Coalition will remain in support of the medication collections and disposals conducted by the Tippecanoe County Sheriff's Department.</p> <ol style="list-style-type: none"> 2. NAMI-WCI utilizes grant funding for their Peer to Peer and Family to Family programs which use peer guided education and support to sustain recovery of and provide a strong support system. 3. Trinity Life Ministry utilizes grant funding and works with men, families and their children that are in addiction by transforming men's lives and reconciling their families through the power of Jesus Christ.
Problem Statement #3	Steps
<p>Goal 1 Decrease illegal drug use among residents under the age of 18 by 1%.</p>	<ol style="list-style-type: none"> 1. The Coalition provides funding for Big Brothers Big Sisters to provide mentor matches to children in Tippecanoe County. 2. Grace Recovery utilizes grant funding to provide the Kids Hope Program to address the needs of children of addicted parents and help reduce the risks to becoming substance abusers themselves 3. Willowstone Family Service utilizes grant funding to administer the Get SMART Jr. Program that educates about drugs and drug abuse. 4. The United Way Recovery and Resilience Prevention Subcommittee utilizes grant funding for the purpose of the "Our Voices Matter" Youth Summit and corresponding Parent Summit.
<p>Goal 2: Decrease illegal drug use among adult residents 18 and older by 1%.</p>	<ol style="list-style-type: none"> 1. The Tippecanoe County Drug Task Force Utilizes Funding to purchase equipment that assists detectives and increases effectiveness of investigations.

	<ol style="list-style-type: none"> 2. The Coalition will remain active in the Prevention sub-Committee of the Tippecanoe Resilience and Recovery Network (previously known as the Opioid Task Force). 3. Trinity Life Ministry utilizes grant funding and works with men, families and their children that are in addiction by transforming men's lives and reconciling their families through the power of Jesus Christ. 4. Mount Hope Lifeline Connection will utilize grant funding to assist individuals in gaining tools needed for a permanent lifestyle change and reduce the risk of addictive behaviors.
Problem Statement #4	Steps
<p>Goal 1: Increase availability of peer-based and self help support and recovery programs.</p>	<ol style="list-style-type: none"> 1. NAMI-WCI utilizes grant funding for their Peer to Peer and Family to Family programs which use peer guided education and support to sustain recovery of and provide a strong support system. 2. SURF Center will utilize grant funding and the Coalition will continue to support the availability of AA groups at SURF Center and literature, peer support provided by the SURF Center that can either help with use or help individuals remain abstinent from alcohol. 3. Tippecanoe County Community Corrections utilizes grant funding for their ReCOVERY coaching program which provides a recovery coach to provide a diversion from a commitment to the Department of Corrections or local incarceration for the felony offender. 4. Grace Recovery utilizes grant funding to provide Brianna's Hope which helps to anyone seeking to overcome their substance misuse. 5. Recovery Café utilizes grant funding

	<p>for their School for Recovery Program.</p> <p>6. The Gateway to Hope program administered by the Tippecanoe County Health Department utilizes grant funding for peer recovery coaches to be available to clients.</p>
<p>Goal 2: Increase participation in peer based and self help groups by 1%</p>	<p>1. The Coalition remains actively involved in Tippecanoe Celebration of Recovery Rally which bring together family celebration and resources for multiple pathways for recovery in an accessible and cost-free environment.</p> <p>2. The Coalition hosts an annual Overdose Awareness Day with a time of remembrance as well as access to resouces in our community.</p> <p>3. The Coalition supports and utilizes findhelp.org</p>

Fund Document

The fund document allows the LCC to provide finances available to the coalition at the beginning of the year. The fund document gauges an LCC's fiscal wellness to empower their implementation of growth within their community. The fund document also ensures LCCs meet the statutory requirement of funding programs within the three categories of (1) Prevention/Education, (2) Treatment/Intervention, and (3) Criminal Justice Services and Activities (IC 5-2-11-5).

Funding Profile

Amount of funds deposited into the County Drug Free Community Fund from fees collected last year (\$100.00): \$169,784
Amount of unused funds that rolled over from the previous year (\$100.00): \$0.00
Total funds available for programs and administrative costs for the upcoming year (\$100.00): \$169,784
Amount of funds granted the year prior (\$100.00): \$178,759
How much money is received from the following entities (if no money is received, please enter \$0.00):
Substance Abuse and Mental Health Services Administration (SAMHSA): \$0.00
